

Progress Report

Name: Alina Amushila H,
Course: Simulink Fundamentals
Progress: **100%** complete (as of 29 April 2026)

Chapters

1. Course Overview **100%**
2. Simulink Environment Overview **100%**
3. Modeling Continuous Dynamic Systems **100%**
4. Modeling Discrete Dynamic Systems **100%**
5. Subsystems **100%**
6. Conditionally Executed Subsystems **100%**
7. Model Referencing **100%**
8. Simulink Libraries **100%**
9. Optimizing Simulation Performance **100%**
10. Conclusion **100%**
